This money is not limited to PFGE only, right? Can you confirm that we are also OK to spend this money on enterics related supplies/kits? Thanks for the heads up. lh

Hi, Larry—

In Account # 4512-0180 you have \$5,655 of FF money remaining in unit code 5240 and \$8,202 of FF money remaining in 5244. If you could spend that down quickly you would be our hero. Call if questions.
